8. This instruction is telling us His request to memorize all the words that are in red, the words that Jesus spoke, that are in the Bible book of John.
9. This instruction call us to know and live taking heed the instruction and warning of Jude: which briefly I mention, not despising or mocking or making any accusations against another. Note Jude 1:9 But even the archangel Michael, when he was disputing with the devil about the body of Moses, did not dare to bring a slanderous accusation against him, but said, "The Lord rebuke you!" In addition to that is additional highly substantive and significant information needed for maturity.
